

2015 Cyber Security Awareness **2016**
"Kids Safe Online"
New York State K-12 Poster Contest

Grades: 3 - 5

Voting Instructions

Please help us select the winners of the NYS K-12 Kids Safe Online Contest.

Winners will be entered in the MS-ISAC national contest.

Please vote for the top three in each category: K-2, 3-5, 6-8 & 9-12.

Here are some criteria to keep in mind when making your selections:

- Posters will be judged on the following criteria:
creativity, originality, and poster concept.
- Poster Art should illustrate the safe use of the internet or mobile devices
- Text should be dark and large enough to read.

Selections should be made by the unique identifier in the upper left hand corner of the slide.

The students were asked to create original artwork that demonstrated one of the following concepts:

- interacting with others and not bullying or threatening others on the Internet
- not giving out personal information on the Internet
- only visiting safe websites
- being cautious with email
- being careful not to download malicious code from websites
- how online gaming can be dangerous
- protecting against identity theft
- safe use of social networking
- any original concept that illustrates safe use of the Internet or mobile devices

**Please complete your selections in survey monkey by
COB on 1/25/16**

Dad! Mom! Some stranger is texting me! They say they're my cousins' friend. Plus, they're cyberbullying me!

If you ever meet a stranger, your parents will prevent danger!

Don't Give Out Personal Information

Don't Do that

Don't give people you don't know your personal INFO

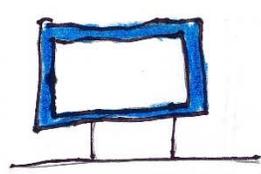

People can rob your house if they know your info

Try not to play an online game with someone you don't know cause they say they are only nine, but they might be 35 and are a cyber criminal.

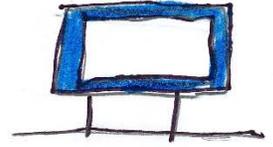

Instead of your real name say your game name
