### 2014 - 2015 New York State Cyber Security Poster Contest

The contest will be conducted in October of 2013 as part of National Cyber Security Awareness Month. The goal of the annual contest is to encourage young people to use the Internet safely and securely and to craft messages and images that will best resonate with their peers across the country about how to stay safe online. The top three posters in each grade bracket (K-2, 3-5, 6-8, 9-12) will be selected from participating schools across New York State. To learn how to participate visit the New York State Poster Contest webpage at [www.its.ny.gov/eiso](http://www.its.ny.gov/eiso).
