Tuesday June 2, 2015

8:00am — 4:15pm	Conference Hours
8:00am	Opening of the Exhibit Hall
9:00am — 10:30am	Keynote: *"Cyber Security End-to-End: What Each of Us Can Do Now"* Jane Holl Lute, CEO of the Center for Internet Security
10:30am - 11:00am	Visit the Exhibitors (Terabyte Sponsor Demo: AT&T 10:35am-10:55am)

	Risk Management	Encryption	Incident Response	Legal Issues	Security Strategies	ASIA
11:00am– 11:50am	The Intersection of Security and Privacy Srini Subramanian and Robert Glaser Deloitte & Touche LLP	Encryption and Data Security: A Conundrum? Dan Srebnick DynTek Services	What would you say, ya do here? Tactical steps to perform tomorrow to meaningfully increase security Tyler Wrightson Leet Systems	Bulletproofing Your Incident Response Plan: Effective Tabletops Reg Harnish GreyCastle Security	Securing Your Company for Today's Cyber War: A Three-Pronged Approach to a Comprehensive IT Security Strategy Peter Allor IBM Security	**Behavioral Security** Chair: Damira Pon, University at Albany, SUNY **Paper: Experience Matters: The Role of Direct and Vicarious Experience in Secure Actions** **Paper: Two Studies on Password Memorability and Perception**
	Meeting Room 2	**Meeting Room 3**	**Meeting Room 6**	**Meeting Room 4**	**Meeting Room 5**	**Meeting Room 1**
11:50am– 1:00pm	Lunch on your own and Visit the Exhibitors					
1:00pm– 1:50pm	Future Trends: Why your Security program has to change going forward Manny Morales Independent Consultant	Bad Cryptography Bruce Barnett NYSTEC	Investigating Cyber Crime with the FBI Michael Keller FBI	GRC (Governance, Risk Management, Compliance) -- Why All the Recent Commotion, What are the Consequences and What Can You Do to Comply? Stephen Treglia Absolute Software Corporation	Cybersecurity: A Shared Responsibility Erin Meehan Department of Homeland Security	**Service Security** Chair: Justin Giboney, *University at Albany,SUNY* **Paper: A Holistic Approach for Service Migration Decision, Strategy and Scheduling** **Paper: Post-audit of Service Security Investment: Using Simulation Approach**
	Meeting Room 2	**Meeting Room 3**	**Meeting Room 6**	**Meeting Room 4**	**Meeting Room 5**	**Meeting Room 1**
1:50pm — 2:10pm	Visit the Exhibitors (Megabyte Sponsor Demo: Cisco 1:55pm-2:05pm)					
2:10pm – 3:00pm	TBD Michael Redmond Redmond Worldwide	**Secure Coding** Application Security Testing - How to find software vulnerabilities before you ship code or procure code Hassan Radwan Anita D'Amico Secure Decisions	Advanced Persistent Threats- What You Need to Know Terry Hect AT&T	Data Governance in the Era of the Data Breach Ron Raether Faruki Ireland & Cox P.L.L.	What Your Employees Don't Know, Can Hurt You: Creating the Vigilant Employee in the Cybersecurity War Dane Boyd Dell Secure Works	**Cyber Attacks** Chair: Victoria Kisseka, *University at Buffalo, SUNY* **Paper: Crowdsourcing Computer Security Attack Trees** **Paper: A Covert Channel in the Worldwide Public Switched Telephone Network Dial Plan**
	Meeting Room 2	**Meeting Room 3**	**Meeting Room 6**	**Meeting Room 4**	**Meeting Room 5**	**Meeting Room 1**
3:00pm — 3:20pm	Visit the Exhibitors					
3:20pm – 4:15pm	"That Will Never Happen To Us": Five Ways to Make Security Risks Relevant to Your Organization Todd Brasel and Vincent Hannon NYSTEC	We DevOps'd – Experience and Lessons Learned Securing the SDLC Dr. Sherly Abraham Excelsior College And Dr. Din Cox Medical Science and Computing LLC.	Pitfalls and Potholes of the Dark Net Leonard Popyack Utica College and Antony Martino Northeast Cyber Forensics Center	Government Use of Social Media - The Legal Issues David Menken Smith Buss & Jacobs LLP	Cyber Security's Weakest Link: YOU Michael McCutcheon Rational Enterprise	**International Security Cooperation & Cyber Warfare** Chair: Sanjay Goel, *University at Albany, SUNY* **Paper: International Cooperation to Enhance Website Security** **Paper: Sharing Cyber Threat Information: Swimming in Data but Starving for Information**
	Meeting Room 2	**Meeting Room 3**	**Meeting Room 6**	**Meeting Room 4**	**Meeting Room 5**	**Meeting Room 1**

Wednesday June 3, 2015

8:00am — 3:45pm	Conference Hours
8:00am –8:30am	Opening of the Exhibit Hall
8:30am - 10:00am	Keynote: "Whose Job is it to Solve the Cybersecurity Problem? " Bruce McConnell, Senior Vice President of the EastWest Institute
10:00am - 10:30am	Visit the Exhibitors (Terabyte Sponsor Demo: AT&T 10:05am-10:25am)

	Forensics	Collaboration	Threat Landscape	Mobile/BYOD	Invasion of Technology	Cyber Potluck	ASIA
10:30am - 11:20am	Tales from the Crypt: Fighting Ransomware James Antonakos National Cybersecurity Institute	The Promises and Pitfalls of Public-Private Sector Cooperation in Cybersecurity Austen Givens Utica College	The Truth about Cybersecurity: A real-world look into the current threat landscape and the business & financial impact of targeted cyber attacks Nick Bennett Mandiant, A Fire Eye Company	Planning Mobile?! Eric Green Mobile Active Defense and Larry Whiteside Jr. Lower Colorado River Authority	Biometrics: Who Are You? Stephanie Schuckers Clarkson University	Ahead of the Curve: Better Cyber Security through Tech Transfer Partnerships Doug Maughan Department of Homeland Security	**Digital Forensics** Chair: Fabio Auffant, *University at Albany, SUNY* **Paper: Shot Segmentation and Grouping for PTZ Camera Videos Compliance**
	Meeting Room 1	**Meeting Room 2**	**Meeting Room 6**	**Meeting Room 3**	**Meeting Room 4**	**Meeting Room 5**	**Meeting Room 7**
11:20am - 11:40am	Visit the Exhibitors (Megabyte Sponsor Demo: Cisco 11:25am-11:35am)						
11:40am - 12:30pm	Are you Tired of Hearing that the Sky is Falling when we Talk About Information Security? Tom Brennan Proactive RISK	Information Sharing in Multi-agency Disaster and Crisis Response: Smithfield tornado disaster and DeRuyter shooter man-made crisis events discussed Joe Treglia Syracuse University	After the Recently Publicized Events, What's Next? Michael Corby CGI Solutions and Technologies, Inc.	BYOD - Its not so hard! Kevin Wilkins iSecure LLC	The Day After Passwords Die - How Biometrics Will Usher in a New Age of Technocreepiness Thomas Keenan University of Calgary	What Makes a Good Cyber Security Policy? George Duchak Air Force Research Lab	**Cloud Computing and Internet of Things** Chair: Yuan Hong, *University at Albany, SUNY* **Paper: Secure Audio Reverberation over Cloud** **Paper: Using Features of Cloud Computing to Defend Smart Grid against DDoS Attacks**
	Meeting Room 1	**Meeting Room 2**	**Meeting Room 4**	**Meeting Room 3**	**Meeting Room 6**	**Meeting Room 5**	**Meeting Room 7**
12:30pm –1:40pm	Lunch on your own and Visit the Exhibitors						
1:40pm– 2:30pm	The Critical Role of Netflow/IPFIX Telemetry in the Next-Generation Network Security Infrastructure Ken Kaminski Cisco Systems	**Critical Infrastructure** ICT Supply Chain Risk in 2015: Can the Private Sector be Engaged ? Michael Aisenberg MITRE Corp	Reporting on the Current Risk landscape- The Verizon Data Breach Investigative Report Chris Novak Verizon Enterprise Solutions	**Compliance** Cyber Security Threats, Trends and Best Practices to Secure your Government Organization Tim Finn and Ron Smalley First Data	From the Hobbyist's Garage to Threat From Above - Defending Against Drones George Palmer Stuart Card AX Enterprize, LLC	Cooperating in Cyber Defense: Learning Together and Sharing Knowledge NYS Forum Panel	**Disasters and Incident Response** Chair:Pradeep Atrey, *University at Albany, SUNY* **Paper: Trust Management in Resource Constraint Networks** **Paper: The Causal Relationships of IS Effectiveness After an Extreme Event**
	Meeting Room 1	**Meeting Room 2**	**Meeting Room 4**	**Meeting Room 3**	**Meeting Room 6**	**Meeting Room 5**	**Meeting Room 7**
2:30pm – 2:50pm	Visit the Exhibitors						
2:50pm– 3:45pm	Next-Generation Endpoint Security: Protection, Detection and Response Jesse Torzs Bit9	Mind the Gap: Evolving Information Sharing; Protecting U.S. Critical Infrastructure Against Growing Cyber Threats John Cassidy CenturyLink Government	The Explosion of Cybercrime - The 5 Ways IT May Be an Accomplice Mark Villinski Kaspersky Lab	Strong Medicine for HIPAA Compliance Paul Romeo GreyCastle Security	Is your Privacy Being Mickey Moused? Raj Goel Brainlink	Establishing a Prototype to Enable Usage-based Cyber Liability Insurance Steve Hamby	**Network Security** Chair: George Berg, *University at Albany, SUNY* **Paper: A Layer 2 Protocol Design to Protect the IP Communication in a Wired Ethernet Network** **Paper: Proposed Terminal Device for End-to-End Secure SMS in Cellular Networks**
	Meeting Room 1	**Meeting Room 2**	**Meeting Room 6**	**Meeting Room 3**	**Meeting Room 4**	**Meeting Room 5**	**Meeting Room 7**
