RE: Lot 1 - Integrated Eligibility System's Eligibility, Enrollment, and Case Management ("IES-EECM")

Dear David Buck,

Thank you for submitting a proposal in response to the IES-EECM solicitation. I am pleased to inform you that Deloitte Consulting LLP has been tentatively selected for award, contingent upon the following:

- Provision of a revised budget reflecting the lower price quoted within the letter dated July 8, 2022, submitted response to IES-EECM best and final offer request;
- Successful negotiation of a Statement of Work (SOW);
- Execution of the resulting SOW;
- Deloitte Consulting LLP confirming their Vendor Responsibility Questionnaire is up to date;
- Deloitte Consulting LLP confirming their Workers Compensation and Disability insurance coverages are current;
- ITS receiving all necessary budgetary approvals; and
- Approval of the resultant SOW by the New York State Office of the Attorney General and the New York State Office of the State Comptroller.

Please be advised that an ITS representative will be in contact regarding execution of the contract.

As a reminder, until approval of a contract by the Office of the New York State Comptroller, this award is tentative and remains in a restricted period. Therefore, only communication with its.sm.bestvalue@its.ny.gov is permissible.

Sincerely,
