

Attachment 11 - Minimum Bidder Qualifications Certification
RFP C000522-PR – Network Cabling Services Periodic Recruitment

Lot 2- Labor Rates

Qualification 1: Bidder has at least five (5) years' experience in the each of the following areas: 1) Structured copper cabling installation, maintenance and repair (inside/outside plant); 2) Structured fiber optic installation, maintenance and repair (inside/outside plant); and 3) Excavation and Aerial Services (installation, maintenance and repair conduit, manhole, etc.). [Yes/No]
Qualification 2: Bidder has at least one (1) combined year experience of Structured Data Center fiber optic and copper installation, maintenance, and repair as defined by the TIA-942-B Data Center Cabling Standard. [Yes/No]
Qualification 3: Bidder must be certified by one copper cabling manufacturer of structured voice and data cabling; and provide a Manufacturer's Certification Warranty (combination of cabling manufacture and component manufacture) of at least 15 years, as proof that they are a certified installer of that manufacturer's structured voice and data cabling system. [Yes/No]
Qualification 4: Bidder must be certified by one fiber cabling manufacturer of structured voice and data cabling; and provide a Manufacturer's Certification Warranty (combination of cabling manufacture and component manufacture) of at least 15 years, as proof that they are a certified installer of that manufacturer's structured voice and data cabling system. [Yes/No]

For any work a subcontractor will complete, the subcontractor must fulfill the applicable minimum Bidder qualifications for the portion of work that they will complete over the contract term. For example, a subcontractor providing excavation services must fulfill the five (5) years' experience providing such services. In addition, any proposed subcontractor must have had a contractual relationship with the Bidder for at least two years. A listing of all subcontractors must be provided to NYS ITS prior to commencement of any particular work assignment. NYS ITS may reject any proposed subcontractor at its sole discretion.

*A "No" Response to any of the minimum qualifications may result in disqualification.

Certification

By signing, you certify your express authority to sign on behalf of the Bidder and that all information provided is complete, true and accurate.
