

RFP C000522-PR - Network Cabling Services Periodic Recruitment

Attachment 14 – Vendor’s Network Cabling Material and Labor Rate Catalog Certification

Certification

By executing this Attachment 14 – Vendor’s Network Cabling Material and Labor Rate Catalog Certification, you are hereby certifying that you are a duly authorized individual with the ability to legally bind Vendor and that the Material costs listed in Attachment 13 – Network Cabling Material and Labor Rate Catalog are accurate, complete, true and less than the Manufacturer’s Suggested Retail Price (“MSRP”) and/or the United States’ General Services Administration (“GSA”) listing. You further certify that all Labor Rates are accurate, complete, true, and adhere to all New York State Labor Law prevailing wage requirements. Material and Labor Rates found not to be compliant with the above may result in Vendor being deemed non-responsive and either not awarded a contract or being found in breach of the Contract.
